Dear friends:

Thank you for your gift of \$6500.00 to go towards Alexander B's wish here in Greater Nebraska. Your support for Make-A-Wish® Nebraska helps us continue to grant wishes to children in Nebraska with critical illnesses. Wishes make a life-changing impact on a child's life. And you help make them possible!

After dealing with all the symptoms and side-effects of treatment for leukemia, 5-year-old Gage desperately needed something special to lift his spirits and give him the strength to keep fighting. When asked what his wish would be, he knew he wanted to go to Florida to visit the theme parks. He specifically wanted to ride the Lightning McQueen and Frozen rides and to meet Mickey Mouse and Princess Elsa. So, Make-A-Wish – and generous people like you – stepped in to make that dream a reality. Gage is the youngest of 3 boys and is sometimes overwhelmed by his older brothers. But this was his time to shine! He got to make all the decisions on this trip – which rides to rides, what sites to see and what food to eat!!

The whole family had a great time, starting the minute they stepped into the limo for the ride to the airport, to the airplane trip, to staying at Give Kids the World, a resort which is specifically set up for wish families. Then it was on to *Walt Disney World* and Universal Studios and their trip ended with Gage sound asleep on the limo ride home, exhausted but happy!

Every wish is designed especially for each child. The wish experience enriches the life of the child and their entire family. For the family it is a time to create cherished memories that sometimes may have to last forever. Because of your involvement, more children will be able to experience the power of a wish.

Thank you for helping us transform lives, one wish at a time!!

Sincerely,

Katie Rickard
Program Coordinator – Greater Nebraska
