

WELCOME TO OUR NEW AGENT!

***Kansas Manager Kevin Dubbert welcomes our newest agent,
Jennifer Edwards!***

Jennifer began her new career with Farmers Union Midwest Agency on April 15th in Salina Kansas.

Jennifer was born in Salina, Kansas and she graduated from and attended KU. After graduation she moved to Northern California for 13 years. In 2005 Jennifer returned to Kansas to be closer to her family.

She has two boys Aiden and Keegan. Aiden will graduate this May and attend K-State Polytechnic majoring in electronics and computer engineering in the fall. Keegan is in 7th grade. Each summer brings fun time at the ball field watching him shine as a baseball natural. Jennifer has worked in social services for almost 30 years in between her time in California and Kansas.

She is passionate about helping others and excited to evolve into the field of insurance. Jennifer was referred by Haley Helzer and will share an office with her in Salina.

She loves to travel, meet new people, and explore new places. Jennifer is looking forward to this opportunity for professional growth and development with FUMA.

***Please join us and Welcome Jennifer to the Farmers Union Midwest Agency & Midwest Agency LLP family!
